Fancy Pants Valentine  
Paper

Plastic Zip Lock project  
bags

February proves to be yet another busy month around the shoppe'. With the winter CHA (craft & hobby association) coming to an end Gracie has been busy checking out the new lines and going crazy with excitement deciding what to order first. All new products released at CHA aren't being delivered until March or April. So keep in touch to see if we ordered any of your favorite new releases.

Our card classes are a huge success and we continue to add two new cards each month. Card class cost has remained at \$5.00 and you cannot go wrong completing two cards in a class ready for giving to someone special.

Sorry Ladies the recipe class will not be held this month. We will be offering the class every other month.

Club Scrap monthly meeting is back! Be sure to check the calendar for date & time.

Stacie & Gracie's is happy to welcome the "U Go Gurls" group to our shoppe'. We will be offering a new project at each meeting to the ladies. This month will feature a "box of cards" ready for gift giving or keeping them for yourselves to give away.

Shoppe' will be closed from February 27th to March 3rd. The 28th is Gracie's Wedding Anniversary (29 years) and Chuck has a special surprise all planned for Grace.

## Happy Valentines Day
